

Malki Museum Scholarship Requirements

Due to increasing requests for scholarship funds, we have prepared a set of guidelines both to inform prospective applicants of their eligibility and responsibility and to provide contributors to the scholarship fund with assurance that their donations are used properly to assist qualified Indian students. The guidelines are as follows:

- Students must be an enrolled member of a Southern California Indian reservation and must furnish proof of at least one-quarter Indian ancestry.
- Students must provide verification of acceptance/enrollment at any accredited institute of higher learning.
- Study grants from the scholarship fund can be used only for books and tuition or other supplies directly related to the course of study of the applicant.
- Students must fill out the application form completely and turn it in before _____.
- All scholarship funds which are granted are sent directly to the Financial Aid office where the recipient is enrolled. The student then draws the money as necessary from the Financial Aid office.

The Malki Museum Scholarship Fund has helped many Southern California Indian students complete their college educations. Previous recipients have gone on into many occupations and professional careers. They include attorneys, doctors, social workers, teachers, nurses and others. The Scholarship Fund depends entirely on donations from interested and concerned persons, and as always is in need of support to meet the anticipated demand for financial assistance when classes begin each year.
