

MALKI MUSEUM

Indian Lore Merit Badge

EARN YOUR BADGE WITH US!

Malki Museum offers Indian Lore Merit Badge classes that follow the guidelines provided by Boy Scouts of America. At Malki Museum we have So Cal Native American history & culture exhibits and a Native Plant Garden. We offer information about the Cahulla tribes and other local Native American tribes. We work with each group to schedule, plan, and execute each merit badge class in order to ensure a quality experience.

On Site Visit

We schedule on site merit badge classes at Malki Museum during business hours throughout the year. Contact us to schedule your visit.

Virtual Visit

Virtual visits are the most popular option for groups that live farther away. We can schedule a Zoom class with a presentation and special guest speaker.
